

## **Important Fund Grant Guidelines**

This is a grant from the Kearney Area Community Foundation. There is no need to send us an acknowledgement letter or receipt – we are a 501(c)(3) organization and do not require it. This fund was set up by donors (fund advisors) through the Kearney Area Community Foundation to facilitate their charitable giving. Please do not provide them with a tax receipt. The fund advisor(s) received a tax deduction when they established their fund with the Kearney Area Community Foundation. We recommend that you recognize the generosity of the fund advisor(s) who recommended the grant by sending them an acknowledgement. The fund advisor has requested not to have their contact information released and the Kearney Area Community Foundation does not divulge fund advisor addresses. The foundation will compile any thank you notes and forward them to the donors.

Grants from funds are based on the recommendations from individuals, corporate and family donors and are gifts from the Kearney Area Community Foundation. The Kearney Area Community Foundation does not accept requests for funding directed to fund advisors.

If your organization publishes a news release or a list of donors, it is asked to indicate the contribution as a grant from the “Ted Baldwin Donor Advised Fund of the Kearney Area Community Foundation”.
